

TOO LONG SINCE YOUR LAST FURNACE TUNE-UP?

TEST AND TUNE-UP

ATTENTION Home Owners

You may qualify for a furnace tune-up at no cost to you!

The City of Norton Shores, along with surrounding agencies county-wide, is offering a furnace test and tune-up to qualified applicants who meet income eligibility guidelines.

A licensed contractor will perform a thorough furnace cleaning and tune-up designed to help your system last longer, run more efficiently and save energy and money. In addition, to the test and tune-up, you will receive a programmable thermostat and other energy-saving improvements at no cost to you!

Applicants will need to provide a CURRENT DTE Energy bill; proof of ownership of your home, proof of income, proof of homeowner insurance, and taxes must be current.
