The Residential Lock Box program is meant to service Norton Shores/Roosevelt Park residents regardless of income. They are for residents that need an option for entry into their homes for emergency purposes which would be operated by the Norton Shores Fire Department.

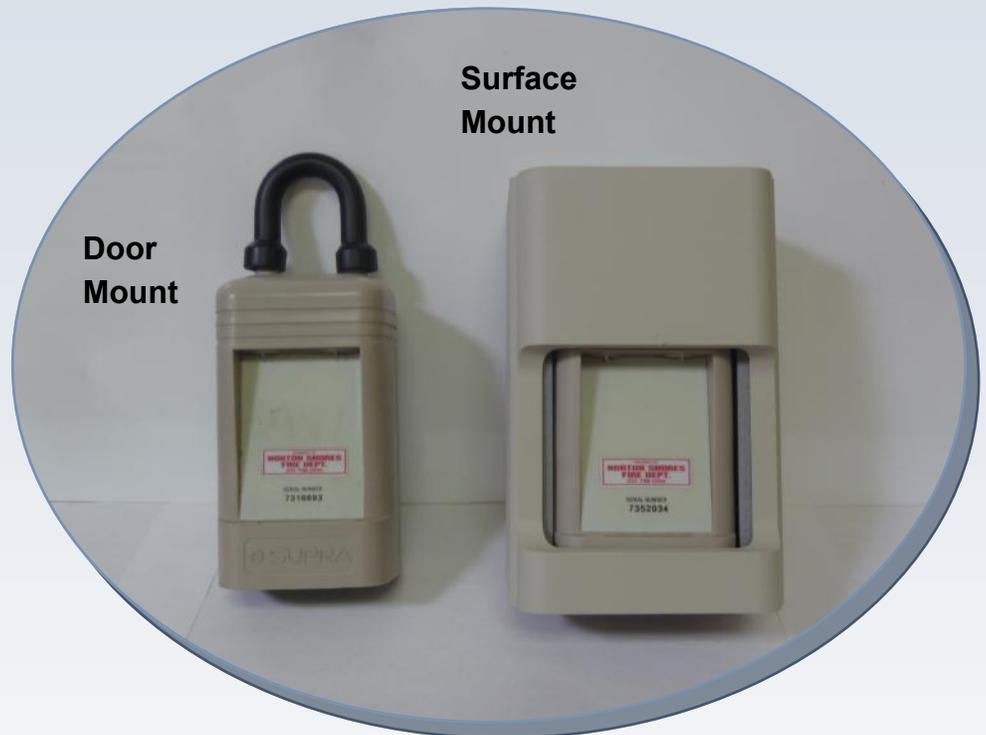

There are two versions of lock boxes which are the door mount and surface mount.

### Payment program:

**Door Mount \$200**

A monthly payment of \$10 for six months is required. We will bill every six months. After the following has been paid there will be no further charges.

If you no longer need the box please return it to the Fire Prevention Bureau at Norton Shores City Hall, 4814 Henry St. so we may continue the service to others.
